INFORMATION SYSTEMS FOR CRISIS RESPONSE AND MANAGEMENT

*“Theme: Embracing the Crisis Management  
Lifecycle”*

Conference May 25<sup>th</sup>-29<sup>th</sup>, 2024

Münster - Germany

University of Münster and State Fire Service Institute North Rhine-Westphalia  
<https://iscram2024.ercis.org/>

## INTRODUCTION TO THE TRACK

The Practitioner Track extends an invitation to distinguished professionals in the realms of crisis management, response, humanitarian organizations, governmental authorities, policymakers, and seasoned practitioners to deliver presentations at the ISCRAM 2024 conference. It is important to note that participation in this track does not necessitate the submission of a conference paper.

## TRACK CHAIRS

Details on the organization of the practitioner track will be communicated in due course.
